

“WE LEAVE A PART OF OURSELVES IN EVERY FILM.”

A Small, Highly Specialized Creative Team.

We don't do generic corporate videos. Each of us is obsessed with our craft—bringing together large-format cinema cameras and world-class FPV drone flight.

DIRECTOR OF PHOTOGRAPHY

BOJAN

Cinema optics, lighting craft & precision framing.

FPV DRONE SPECIALIST

TIMON

High-speed impossible lines for global brands.

MERIDIAN 16 • 105 HECTARE CANVAS

01 / OBSESSIVE DEDICATION

“JUST TWO OF
US. EXTREME
PRECISION.”

“The mint had strict security—no wide shots allowed, only macro close-ups. Look at the level of dedication we delivered with just the two of us. Now imagine that precision unleashed on your expansive 105-hectare park.”

KEY TAKEAWAY FOR MERIDIAN 16

We bring gold-standard cinema lighting, macro detail, and premium storytelling to industrial architecture.

Hrvatska Kovnica Novca

High-end corporate production featuring macro detail, prestigious brand narrative, and industrial craftsmanship.

02 / WORLD-CLASS FPV SPECIALTY

“IMPOSSIBLE SHOTS AT CRAZY SPEEDS.”

“I was incredibly lucky to shoot FPV for the world’s biggest brands—for 3 years I didn’t need a new reel. We fly sub-250g prop-guarded drones through active warehouse racks with surgical precision.”

APPLICATION AT MERIDIAN 16

Uninterrupted dynamic dives through Atlantic Grupa, Eurospin & Log Expert One facilities.

Indoor FPV Drone Precision

Continuous high-speed flight through tight indoor corridors, automated sorting, and multi-tier logistics racks.

03 / THE STORY APPROACH

“WAKE UP EARLY. CATCH THE MIST.”

01 / DAWN & HERITAGE

The Living Foundation

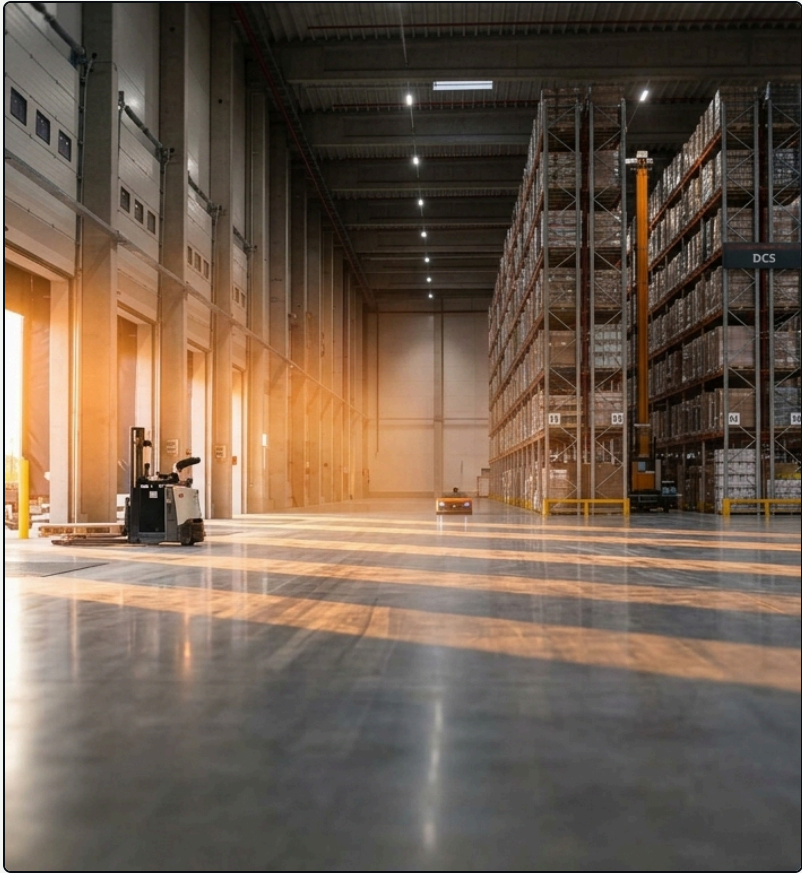

Morning mist lifting over 70+ plane trees along *Zelena aleja*. The 2017 foundation story.

02 / KINETIC SPEED

Warehouse Heartbeat

Indoor FPV flight through 60k m² automated logistics, robotics, and global shipping dispatch.

03 / TWILIGHT SCALE

European Crossroads

Dusk blue-hour dronelapses over illuminated A3/A11 highways and Zagreb Airport runway lights.
